- **Recaro sports seats: Large, deep bucket seats upholstered in a combination of leather and fabric, including heated seats.**
- **Trim: An aluminium gear knob and a dashboard finished in the body colour.Under the bonnet, the SVX shared its engineering with the standard Defender of that era (the reliable 2.4-litre TD4 diesel engine producing 122 pk and a six-speed manual gearbox).**
- **However, the suspension had been subtly adjusted, making it just that little bit more comfortable on tarmac than its siblings**
